Dear Mr. Swanson, *State*

The Oakland Police Officers' Association (OPOA) is proud to endorse your campaign for State Senate District 7, the district encompasses our city. The OPOA is the union representing every sworn member of the Oakland Police Department at every rank from police officer to chief of police.

The OPOA board of directors voted unanimously to endorse your campaign for State Senate because of your record in public office fighting for public safety and striving to improve the lives of Oakland residents. We know you have the experience, determination, and qualifications to make a difference as the State Senator of Oakland. As Oakland police officers we have always appreciated your willingness to keep the avenues of communication open and your concerted efforts to seek input on the issues of public safety and law enforcement. Your record of service is deserving of the OPOA endorsement.

Sincerely,

Barry Donelan
President

Oakland Police Officers Association
